

Welcome to **MAJEES Medical Centre**, your trusted neighbourhood healthcare destination in Eliyapetta, Cherpulassery—right in the heart of Palakkad district. As a modern multi-specialty medical facility, MAJEES blends **advanced medical care with exceptional personal attention**, offering every patient a warm and reassuring experience.

At MAJEES, we treat every person not just as a case—but as a life that deserves empathy, respect, and tenderness. From children to seniors, our care is delivered with a feather-light touch, as gentle and comforting as a mother's hand.

Our Vision

To be the most trusted healthcare provider in the region, known for redefining patient care through heartfelt service, clinical excellence, and community-focused values

Our Mission

- To deliver personalized, high-quality healthcare with compassion, respect, and integrity
- To ensure every patient feels genuinely cared for—emotionally and physically
- To offer our services at reasonable and accessible rates, so that quality healthcare is never out of reach for anyone in our community

Expert Medical Team

General Medicine

Round-the-clock medical support is provided by two experienced doctors—one managing daytime outpatient care, and the other serving as our in-house Resident Medical Officer during night hours

Pediatrics

Children receive special attention from our pediatrician, who cares for every child with patience, softness, and understanding, making visits less stressful for both children and parents

ENT (Ear, Nose & Throat)

Our ENT department offers care that is thorough, patient-focused, and truly exceptional. From consultation to treatment, the experience is designed to be smooth, reassuring, and unlike anything you've experienced before

Experienced Nursing Team, Lab Technicians, and Pharmacists

MAJEES Medical Centre is supported by a skilled and experienced team of nurses, laboratory technicians, and pharmacists dedicated to exceptional patient care. They work collaboratively to provide accurate diagnostics, efficient pharmacy services, and compassionate nursing support. With their expertise and commitment, we deliver seamless, high-quality healthcare to every patient

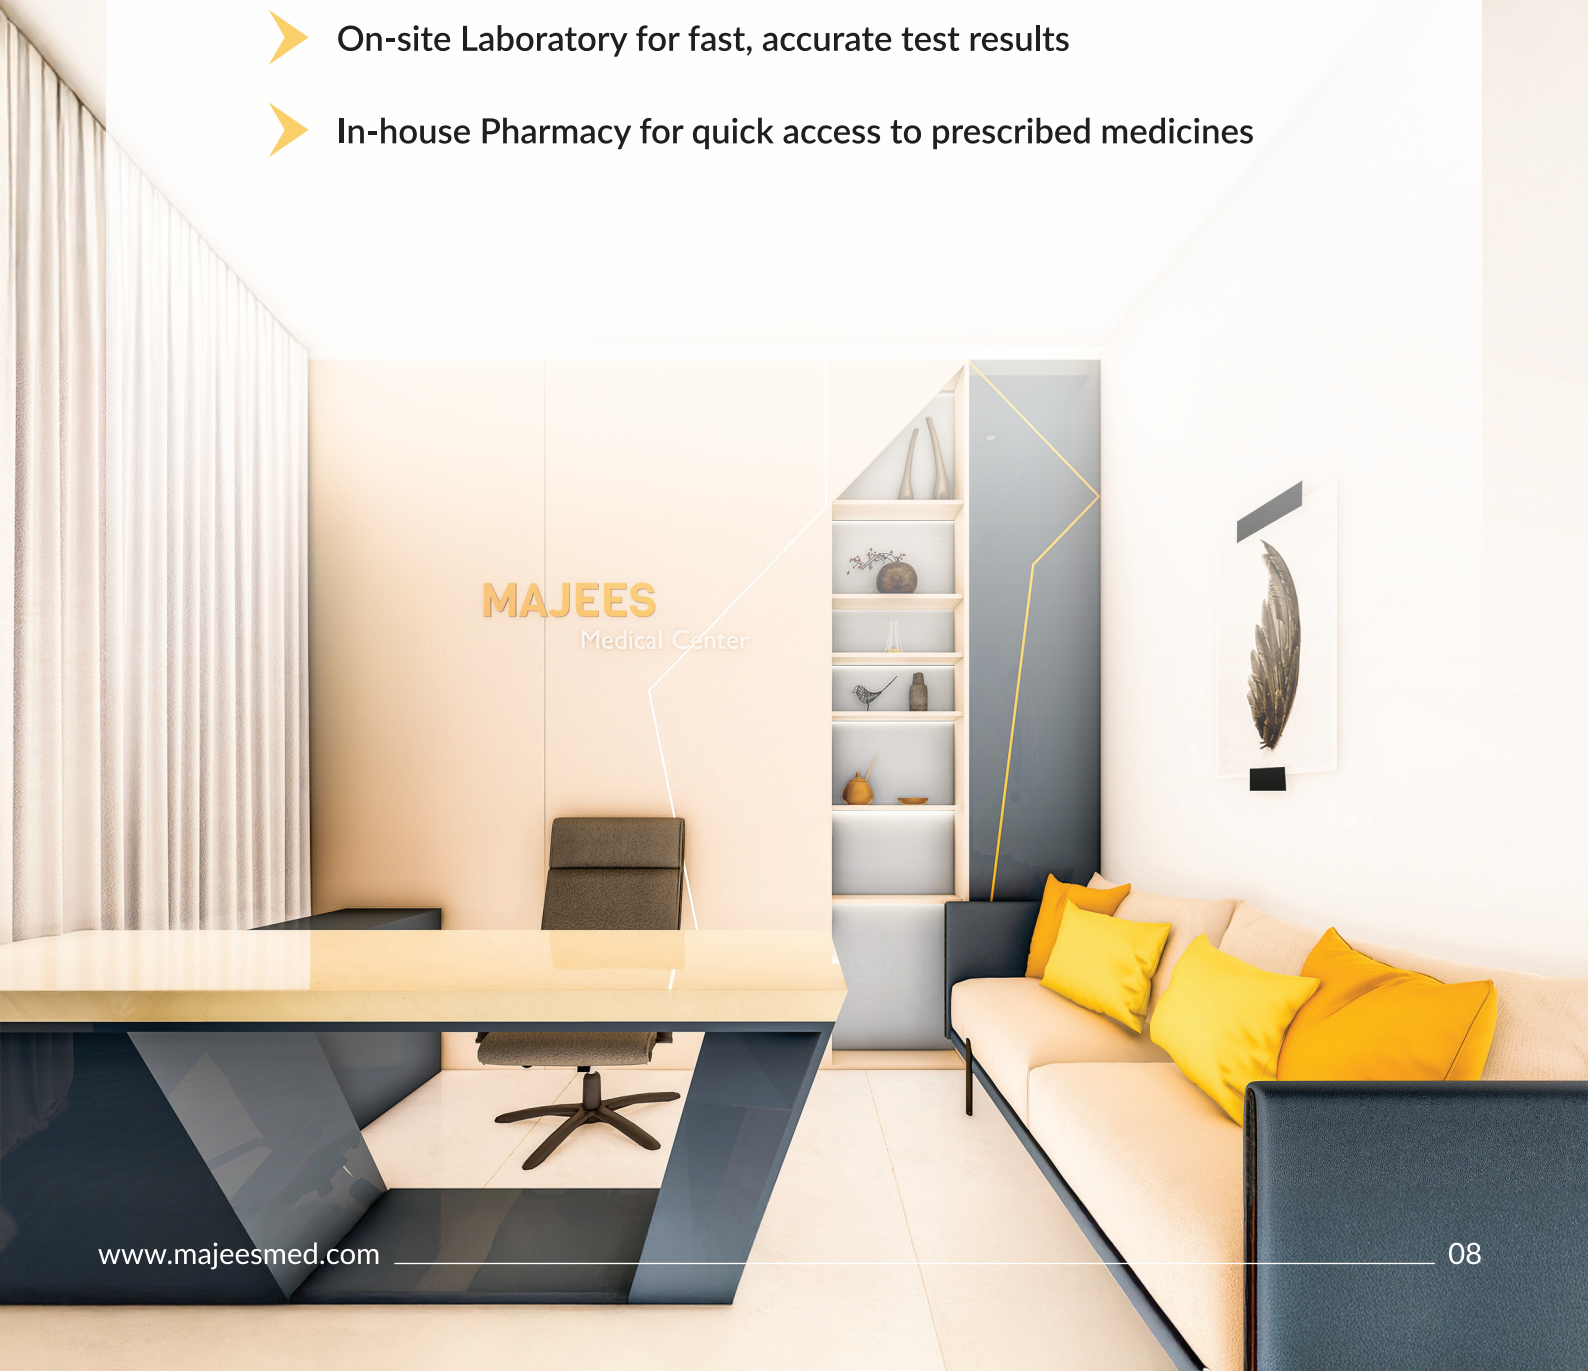

Modern Facilities with a Human Touch

MAJEES Medical Centre is an ultramodern, hygienically maintained facility, built to ensure safety, comfort, and confidence for every patient. Our clean, well-organized spaces reflect our commitment to quality and care

Available In-House Services

- 24/7 Emergency care with modern life-saving equipment
- 10 observation beds with continuous medical supervision
- Dedicated unit for minor procedures
- Nebulization support for respiratory conditions
- ECG services for heart health monitoring
- On-site Laboratory for fast, accurate test results
- In-house Pharmacy for quick access to prescribed medicines

Caring Beyond the Hospital

To support those who cannot easily reach our centre, we extend care to the comfort of your home with:

- Medicine home delivery
- Home Blood sample collection
- Doctor and nursing visits upon request

Affordable Healthcare for All

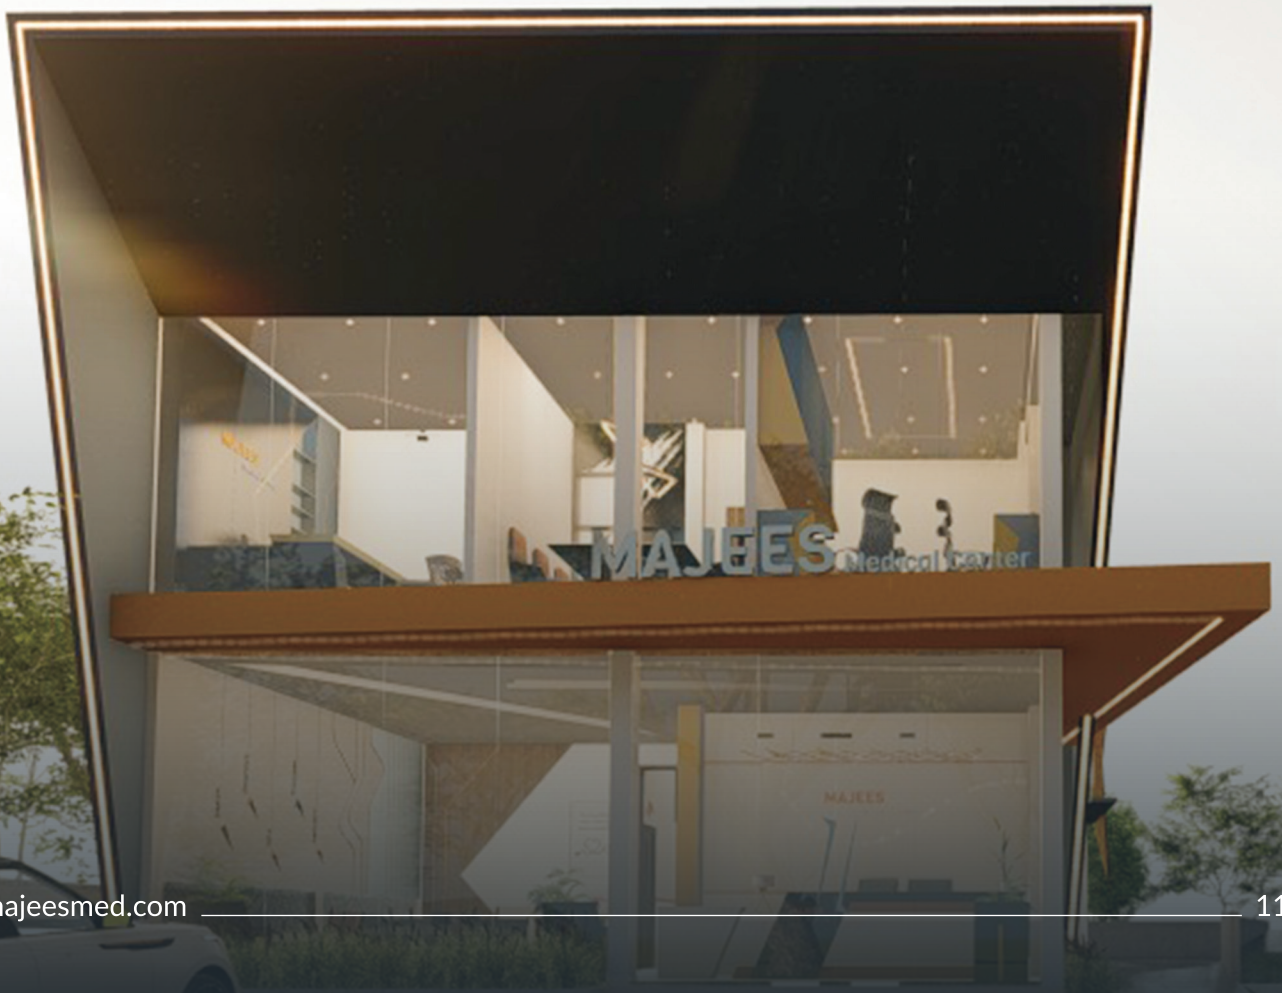

At MAJEES, we believe no one should be denied proper care due to cost. That's why we are committed to offering high-quality medical services at fair and reasonable rates. Our goal is to make world-class healthcare accessible to everyone in our community—regardless of their financial background

MAJEES Medical Centre

-Where Caring is Defined-

Every member of our team—from Doctors to Support Staff—is here to offer more than just treatment. We are here to comfort, listen, and walk with you on your path to recovery. Experience the difference of care that is not only professional, but also deeply personal
